TEMPO Madison President: 2001-02

Speaker Bio

Frances Huntley-Cooper served as the 20th TEMPO Madison President in 2001. The anniversary theme was "Harvesting the Future" and included a celebration of original poetry from Madison-area youth. On October 9, 2001 at Monona Terrace, the celebration highlight was having Dr. Maya Angelou (proud Alpha Kappa Alpha Sorority, Inc. member of Divine 9) as our keynote speaker. TEMPO Madison sisters stepped up then to make

this event memorable and successful.

Frances continues to spend time giving back to the community. Failing with an "F" grade in retirement, she continues to be active in her Alpha Kappa Alpha Sorority, Inc.(locally and internationally); Vice-Chair of Madison College Board of Trustees, entering her 8th year chairing the NAACP ACT-SO youth program, member of the Wisconsin Executive Residence Board and Co-chair of Center for Black Excellence and Cultural. She is a huge fan of her grandchildren living in NC, AL and WI.
