

Kristine Euclide

TEMPO Madison President: 2010-11

Speaker Bio

Kristine Euclide served as TEMPO Madison President from. 2010-11. She is particularly proud of having recruited several awesome future TEMPO Madison leaders to the Board. Kristine has had a unique career involving leadership positions in business, local government and non-profit arenas.

Kristine was the first woman partner (and managing partner) at Stafford Rosenbaum Law Firm where she practiced for over 25 years. For two years, Kristine served as top assistant to the Dane County Executive helping lead several major land use, transportation and energy initiatives. Kristine retired in late 2016 as Senior VP and General Counsel at MGE, a publicly-traded company. As a member of the top executive team, she provided oversight and strategic direction on high-level business, environmental and legal matters.

Kristine currently is Board Chair for WPS Health Solutions, a leading Wisconsin health insurer and nationally recognized medical benefits administrator for several large federal and state programs throughout the U.S. She has always been, and continues to be, very involved in community service.

Kristine is fully engaged in retirement and prefers to call it "redirection". She is interested in many things but especially passionate about—1) her amazing grandchildren ages 8, 5 and 4; 2) working to protect the planet and sharing this passion with others; and 3) encouraging and elevating other women wherever she can which is why she (along with Kim Sponem) started TEMPO Madison's Project REACH to increase the number of women on business boards.
